ARE SHOOTING FOR HERD IMPROVEMENT ---

YOUR CHANCE TO REALLY BENEFIT

You are being offered the tops from these three strong herds in this sale. Ray A. Yarnell has spared neither time nor effort to build one of the really top Shorthorn herds. There are cattle being offered in this sale that normally would have never left Green Meadow Farms. Featured are the Get and Services of a great group of herd sires, that have given everything one would expect in smoothness, conformation, quality and top production.

RAY A. YARNELL is dividing up his top Shorthorn herd with buyers in this sale. He sells 10 bulls, including Yarnell's Marshall Rodney 13th, an outstanding two-year-old son of KF Marshall Rodney, and out of a granddaughter of Edellyn Campeon Mercury. This was the grand champion bull of the 1954 Arkansas State Fair. Three other half brothers sell, along with sons of **CRUGGLETON ARTIZAN**, **CUMBERLAND BEACON** and **YARNELL'S GRAND RESEARCH**, top selling bull in the Yarnell sale a year ago. The Yarnell females include eight cows with calves at foot and 22 bred and open heifers, daughters of Craggleton Chief, KF Marshall Rodney, Cumberland Beacon, Craggleton Artizan and Margaretoss Aspiration. Several of the females will be mated to Yarnell's junior herd sire, **MARELLBAR CALABAR**, by Kair Ensign.

THOMAS & SMART, Piggott, Arkansas, are including a red junior bull calf by KF Bounce 8th and two open heifers by KF Monty Monarch.

M. F. SLOAN & SONS, Pocahontas, Arkansas, sell an outstanding two-year-old bull, a grandson of Killearn Max Juggler, International grand champion, also an outstanding bred heifer by Artlee Safe-guard 6th.

BIG HERD REDUCTION SALE

IT IS ALWAYS OPEN SEASON WHEN YOU

American Shorthorn Breeders' Ass'n. Guarantee

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later submitted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All animals sold in this sale will be backed by the above Standard Guarantee.

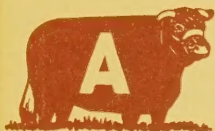

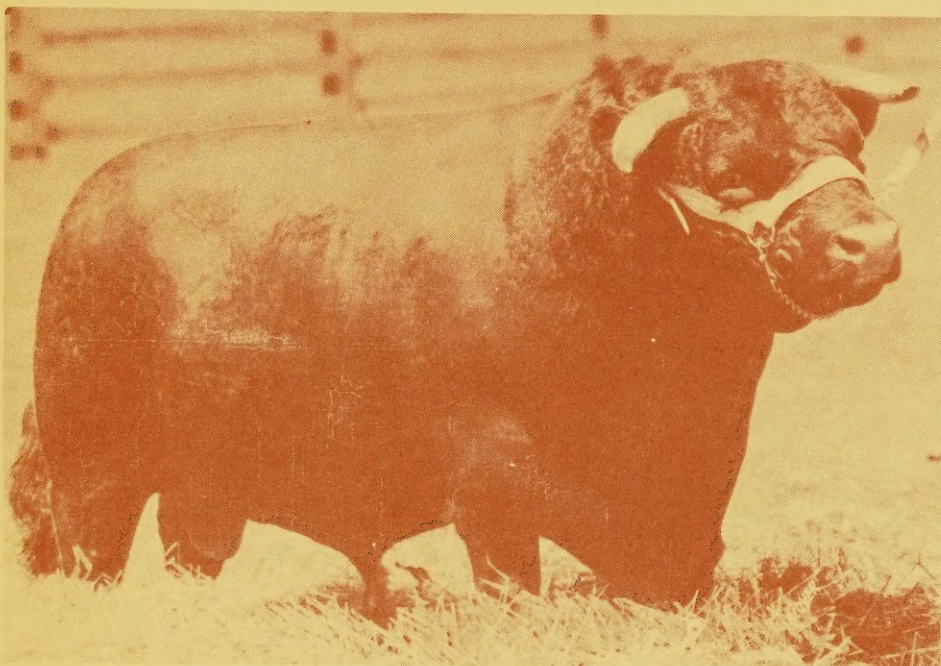

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

KF MARSHALL RODNEY -- was Grand Champion, against strong competition, of the Kentucky Shorthorn Breeders' Show and Sale at Bowling Green, March 25, 1950. His sire, Marshall Monty, was imported in dam from the A. J. Marshall herd in Scotland. He is a half-brother to Cruggleton Bounce and also half-brother to Cruggleton Bramar, chief herd bull of the Marshall herd. His dam is deep red and an excellent producer. He is sire of the Champion Female of both 1951 and 1952 Arkansas Livestock Show. His get of sire won first place in both above shows. He is sire of the top selling bull and female in last year's Arkansas Sales. So far as I know, the heifer topped any shorthorn ever sold at an Arkansas Sale. His calves are continuing very uniform and are developing into outstanding, producing shorthorns. The buyers are well pleased with them. We think the Lot 1 bull in this sale is the greatest individual he has ever sired. We feel sure you will like the several other bulls and females by him that also sell in this sale.

CRUGGLETON ARTIZAN - Imported in dam by L. E. Mathers & Son, was bred by the late Albert J. Marshall of Scotland and sired by the great breeding bull, Erimus Donald, bred by R. S. deQuincey and out of Augusta Dorina as one of the A. J. Marshall's good Augusta cows purchased by R. S. McWilliam of Scotland. Erimus Donald is by Kirkton Challenger by Kirkton Baronet. Several sons and daughters of Erimus Donald have been bought by United States breeders. Among these the great breeding bull, Cruggleton Leishman, the 1952 Perth Reserve Supreme Champion purchased by Mr. John C. Blume for the Marellbar Farm from Marshall of Scotland at 3,000 guineas. Therefore, you will see that Cruggleton Artizan is bred in the purple. His short legged, blocky, sturdy sons and daughters in this sale, will meet your approval.

CUMBERLAND BEACON - Raised by Luther Rice of Paris, Kentucky is by the noted Criefvechter Beacon (imported) and sold at the Maxwalton Dispersal Sale for \$6,000. His dam, Maxwalton Beauty 9th, was in the first prize get of sire at the International in her yearling form and she is by the outstanding bull, Browndale Cumberland. Cumberland Beacon was a top selling bull at the Kentucky Shorthorn Breeders' Show and Sale at Bowling Green, Kentucky, March 25, 1950, and brought \$1,725 as a nine-months-old calf. He is very rugged, has a good head, excellent front quarters and a real heavy hind end, very smooth, deep bodied, wide, heavy-boned breeding bull. His calves show the same conformity that he has. Most of them being dark red with very few roans and no whites. Three sons and several daughters sell in this sale. Good cowmen have selected some of his daughters as the top members of our breeding herd.

YARNELL'S MARSHAL RODNEY 13th — This is the best son of K. F. Marshall Rodney we have ever offered for sale. He was grand champion in 1954 Arkansas State Fair. He is an extra good bull, size for age, deep bodied, short neck, good head, extra good hind quarters, good front end with a wide heart girth. He is short legged, smooth dark roan. His full sister at 14 months old was champion top selling female in the 1954 Arkansas State Sale. Another full sister bought in the State Sale October 1952 is doing well in the herd of Mr. Franklin Bolton, Searcy. His sire, KF Marshall Rodney, our senior herd sire, was champion 1950 Kentucky State Sale and has sired several state champions. His dam, one of our better Mercury bred cows, and granddaughter of Ed. Campeon Mercury, was champion at district and state fairs 1948. The cross from KF Marshall Rodney and Mercury cows has been great and we believe this is the best one yet. Tested for T.B. and Bangs.

YARNELL'S CHIEF BEACON 4th — By our herd sire Cumberland Beacon and one of our larger cows by the famous old bull Cruggleton Chief of the famous Sni-A-Bar Farms. We are keeping a full sister to this bull in our herd that we feel is one of top females. We are sure you will like this bull also. His dam also sells in this herd reduction sale with a heifer calf by side. We would not sell the dam except that we do have some of her daughters in our herd. She is one of the best breeding cows we have and a very large, dark red cow. Tested for T.B. and Bangs.

MARGARETOSS VESTA — A very large, deep red cow by Cruggleton Chief of the former Sni-A-Bar Farm and of the Vesta family. She has had two sets of twins and we have two of her daughters we are retaining in our herd that are good individuals. One standing very high in district and state fairs. Her calves have always done well. She is a good milker and sells with heifer calf at foot. The 1953 bull calf, Yarnell's Chief Beacon, sells separately. Breeding date will be announced sales day. Tested for T.B. and Bangs.

YARNELL'S PRINCESS MISSIE - By K F Bounce 8th, a grandson of Cruggleton Bounce, and out of Princess Missie 2d of the Wilson Snider Little Mistress family. Her dam was a very large, smooth cow and, of course, all of you know of the Bounce family of bulls. She is the right age and quality to make some junior breeder a good show heifer next fall and a quality heifer with which to start a herd. Vaccinated for Bangs, tested for T.B.

OAKLAWN MAX JUGGLER 2d - Here is a two-year-old bull that has all the qualities of a top herd sire. He is very deep, thick and short legged, carries a lot of bone and stands on a set of good legs. He is plenty rugged and has plenty of scale. He not only is a very good individual, but is bred to transmit these qualities to his calves. His grandsire, Killearn Max Juggler, was the 1949 International grand champion. We have used him liberally and have a half dozen very promising calves by him. This bull is capable of heading a strong herd.

OAKLAWN ROYAL COUNTESS 8th - is undoubtedly the best female we have ever offered for sale. She is a deep-bodied, thick, short-legged heifer, that has quality to spare. She possesses an excellent head and rear quarter and is from a very good family of cows. She is the first calf by Artlee Safeguard 6th and when you see this heifer, you will agree we have a wonderful sire. This heifer will bear very close inspection. She carries the December 4th 1954 service of Oaklawn Max Juggler 2d.
